

Mayor's Message

Welcome to the City of Savannah's citizen guide to federal economic stimulus programs. Our site is designed to provide detailed information regarding local projects financed through the American Recovery and Reinvestment Act of 2009. The City of Savannah strives for transparency and accountability, and to ensure that every dollar is spent on worthwhile projects that will provide jobs and/or valuable support to local residents as we work together toward economic recovery.

Our diverse and resilient community is better positioned than most to emerge from these challenging times smarter, stronger and more agile than before. The federal stimulus program is just one of many tools the City of Savannah is using to continue to provide the high level of service to which our citizens are, and ought to be, accustomed.
